Dear Case Officer,

Inappropriate consultation

Thank you for consulting us on the above application, received on 20/07/2026.

We have no comments to make in respect of the proposed development. This consultation is inappropriate, and we did not need to be consulted because National Flood Risk Standing Advice should have been applied.

If you require any additional information, or want to discuss these matters further, please contact planningSSD@environment-agency.gov.uk.

Yours faithfully,

Anna Rabone
