Dear Jackie,

RE: AWDM/0561/26 - The Drive Mill Lane Worthing West Sussex BN13 3DF.

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying to vary condition 2 (approved drawings) of planning permission AWDM/0615/13. Proposed amendment to the size and configuration of Plot 1 and the design and layout of the dwelling on Plot 1. ORIGINAL DESCRIPTION: Demolition of The Drive and redevelopment to provide four detached houses, together with access road, parking and landscaping (including felling of trees/replacement planting). The application is to Worthing Borough Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, and type of development **we would recommend the approval of the application** providing surface water drainage information is provided under Condition 15 of the original application: AWDM/0615/13.

Yours sincerely,

Sustainable Water Management Officer
