SCHEDULE

Conditions

01. Proposed felling of the Red Horse Chestnut tree T5, identified on the applicants plan as T1, and its replacement shall be carried out in full within two years from the date of this consent and in accordance with details of the size species and position of the replacement tree planting to be agreed in writing with the Local Planning Authority.

    Reason: *In the interest of visual amenity.*

02. If within five years following replanting, any of the replacement trees die or become seriously diseased, another tree of the same size and species shall be planted in a similar position during the next planting season following the removal of the replaced tree, unless the Local Planning Authority gives written approval to any variation.

    Reason: *In the interest of visual amenity.*

Notes to Applicant

01. You are strongly advised to ensure that the tree surgeon carrying out the work is made aware of the above conditions. Should the works carried out exceed that which is permitted, then it may be open to the Local Planning Authority to take prosecution action against the owner of the tree(s) and the tree surgeon. If the applicant is unclear about any aspect of the specification for works, they are strongly advised to contact the Council's Arboricultural Officer prior to the commencement of the works.

02. The applicant's attention is drawn to the provisions of the Countryside & Rights of Way Act 2000. Under the Act, it is an offence both to intentionally or recklessly destroy a bat roost, regardless of whether the bat is in roost at the time of inspection. All trees should therefore be thoroughly checked for the existence of bat roosts prior to any works taking place. If in doubt, the applicant is advised to contact the Bat Conservation Trust at 15, Cloisters, 8, Battersea Park Road, London, SW8 4BG. Their telephone number is 020 7627 2629.
