Note: Use written dimensions only, and any discrepancies found must be brought immediately to the attention of the architect. The joinery manufacturer is to take site dimensions prior to manufacture. All mouldings and other details to be as exisiting on site.

NOTES:

1. All dimensions are in mm and must be checked on site.
2. Drawings are to be read in conjunction with accompanying documents.
3. Any errors or inaccuracies should be brought to the attention of Grumitt Wade Mason.
