Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	The proposed development is excessive. The current property is essentially a bungalow and the proposal is for a house with three floors and of a larger footprint. Furthermore the proposed huge windows on the north side of the development will lead to a significant loss of privacy to our property. I therefore object to this proposal.
