PLANNING DIVISION
PLAN No. A/SU/233/04
DATE RECEIVED - 2 NOV 2009
1st September 2009

Dear Sir/ Madam

Re: New Wharf Brighton Road Shoreham Ref: SU/233/04

Following consultation with Mr. Dumbrell regarding renewal of temporary planning consent for continued business by Kendall Bros. on part of the above site we enclose the requisite application details.
Having discussed the situation with Kendall's we request consideration for a further period of five years recognising that their business use on this site continues to be temporary. It is believed that the Authorities are endeavouring to identify alternative locations for owners and businesses currently using the wharf where the need for shipping is paramount to ongoing operations.
Kendall's have expressed interest for any alternative suitable locations.

Yours Faithfully
