Land of North Stills Yard 15 Riverside Road Shoreham By Sea. West Sussex

John Abraham

21 Riverside Road

Shoreham By Sea

West Sussex

BN43 5RB

I am concerned that the workshop will not blend in with the landscape due to the colour and material of the building which is very different to what was there before the tidal wall was added. I am also concerned about the level of noise that the workshop will generate which potentially could interfere with the enjoyment of my home. Therefore, I object to the single storey workshop.

Kind regards

John Abraham
