Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

- Design
- Loss of General Amenity
- Overdevelopment
- Privacy Light and Noise

Comments: I'm unable to see any other close neighbourly properties in my street that have extended in such a way as being sought. If just an upward box structure replacement is sought I'd not be in favour of that as would be an over development of said property. Are there any drawings particular plans to view ? My privacy light into my rear garden will be reduced.
