Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	The single story development already under way is unsightly and rather large blighting the area. Building another floor on the top will spoil the view from the property i own at 14 Newbarn Road Bn43 6HN and may lead to further developments in the area. Further more access to the site from the small lane at the rear of my property wil create noise and distrurbance.
