SCHEDULE

Reasons for Refusal

01. The amended design, with particular reference to the design and form of the roof, results in an ill-proportioned and incongruous feature that is visually out of keeping with existing development and detrimental to the environment, thereby conflicting with the policies of the West Sussex Structure Plan (CH1, DEV1) and the Adur District Local Plan (AG1, AH2).

02. The amended design and layout does not include adequate provision on the site for the parking of vehicles in a satisfactory manner to the standard required by the Local Planning Authority and consequently would be likely to result in standing vehicles which would interrupt the free flow of traffic on the public highway and add to the hazards of highway users, contrary to the policies of the West Sussex Structure Plan (DEV4-5)).
