Comments

Submission Type:
Customer does not object to the Planning Application.

Comments:
Dear Sirs,

The new development is an improvement to the existing site. Balconies on the property would be one the main interest of purchasing a house on the foreshore.The height I feel is reasonable and does not tower above the other properties. Their have been a number of new buildings along Old Fort Road, non of them the same. This is what makes the foreshore unique.
