Customer does not object to the Planning Application.

Comments:
This application is just the kind of development that the beach needs to attract the ongoing investment into the area and ensure that the slow decline in the state of the foreshore properties is reversed. 148 Old Fort Road is nothing short of an eyesore and the redevelopment of this plot should be welcomed as it will assist in the investment and redevelopment of the area.

The plans submitted are totally in-keeping with the standard of properties that should be built along the foreshore and the few that have already be modernised. I fully

approve of this application and anybody opposed to it must have another agenda apart from the improvement of the foreshore and general investment in the area.
