SCHEDULE

Reasons for Refusal

01. The proposed extension, by reason of its large size and proximity to the boundary would be detrimental to the residential amenities of the locality, resulting in loss of light and an overbearing effect on the adjoining property, contrary to the policies of the Adur District Local Plan (AH7).

02. The proposed extension, by reason of its large size and unsympathetic design, would be out of keeping in scale and appearance with the existing building and would detract to an unacceptable extent from the visual amenities and residential environment of the locality and thereby conflict with the policies of the Adur District Local Plan (AG1, AH7).
