| Commenter Type: | Neighbour |
| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | - Design<br>- Privacy Light and Noise |
| Comments: | We appreciate that the plot is suitable for a large extension but we are concerned at the proposed zinc cladding to the rear elevation which directly overlooks our property. It is aesthetically out of keeping with the attached semi and other surrounding properties and as such we object.<br><br>We are also concerned that we will be very overlooked from the proposed first floor terrace. We feel that the glass panels should be opaque to give us some measure of privacy when using our kitchen, patio and garden. |

Kind regards
