Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	The application does not specify hours of opening. As this is a residential area i would expect these to be specified, restricted and controlled. Appointment management of clients should consider the neighbourhood. Manage the number of dogs on the premises at any one time, minimise and control noise and parking.

Kind regards
