Recommendation: Advice

For the purposes of this application Condition 33 is most relevant to highway matters and that relates to Cycle Parking.

Condition 33-The LHA has assessed drawing number 1975 submitted in support of this Approval of Reserved Matters Application. The cycle parking areas shown are convenient to access and therefore are located as close as possible to dwelling entrances and not require users to take them up/downstairs. All cycle parking within the site will be weatherproof.

Having assessed the information provided the LHA would be satisfied with the information provided in support of Condition 33.
