Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	As a neighbour and frequent user of the tow path,I would like assurances, before granting planning permission, that the original promises that trees and shrubs will be replanted on the banks, in an effort to enable wildlife to return, will be upheld. The Houseboats are a wonderful and unique addition to our community, very popular with visitors and residents alike. Their attraction would be seriously undermined if the banks were left without being replanted.
