AWDM/0529/23 - Application for consent under Worthing Tree Preservation Order No.18 of 1980 to fell and replace two Yew trees of group G9, one Sycamore and one Ash of group G18 and Sycamore tree T6.

AWDM/0601/23 -Section 211 Notice under the Town and Country Planning Act 1990 to crown lift up to 2 metres one Lime tree and to fell and replace one Leyland Cypress T11, Sycamore T15, Goat Willow T18, and two Ash T14 & T13 in the Goring Hall Conservation Area.

WORTHING SOCIETY CONSULTATION RESPONSES

Thank you for requesting our comments regarding the above mentioned applications which fall within the Goring Hall Conservation Area and affect trees which are the subject of a Tree Preservation Order. The works are also relevant to the setting of the Grade II Listed Goring Hall Hospital.

I have now had the opportunity to discuss the applications with our Heritage Team. We have noted that the works are recommended following a detailed assessment by a qualified Arboriculturalist and Survey Consultant.

These remedial works are seen to be very necessary and public safety is a consideration. We are very pleased to see that the trees, which are identified as needing to be felled, will be replaced.

I am pleased to advise you, therefore, that we have no objection to these works being carried out.

Yours sincerely,
