Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I approve of the B and B but have concerns about the parking for cars. The nearest parking is in the area next to the Red Lion Pub which is already limited and has now been reduced due to the Pubs removal of some parking spaces. My house is in that area and I find it already difficult to find a parking space.

Kind regards
