Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	I support the garden room as it is a modest design in a large garden, in materials in keeping with its surrounds and sympathetic to the environment. Virtually unnoticeable from the main road and therefore very discreet. The garden room does not overlook any of the neighbours there is no noise or disturbance caused by this building. I wholeheartedly support this small garden room.

Kind regards
