Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Loss of General Amenity
- Privacy Light and Noise

Comments: Nothing has changed since previous planning applications were refused.I object on the grounds that the proposed plan would result in lack of light and loss of privacy for my property.We do not have infrastructure to cope with much increased traffic,parking and emergency vehicle parking.Cars are still parking on the A259 directly opposite this Care Home and that reduces visability for traffic.There is no scope for additional parking at this Hom e for extra staff,families and visitors.This proposed extension is not in keeping with the seaside environment in terms of the holiday parh homes site.
