Planning Statement
This application contains details of the replacement of windows to the living room of Flat 43 Arundel Lodge, 2 Shelley Road, Worthing BN11 1XN.

The windows have deteriorated and are being replaced under a wider landlord-led maintenance programme alongside many other flats at the same address, the aim being to effectively manage the works due to mutiple flats at one time and to share the cost of the scaffold.

The windows are identical in arrangement and colour to those existing and intended to be a like for like replacement.
