From the Local Highway Authority's (LHA) perspective Condtions 9 and 10 would be most relevant to highway matters.

Condition 9 which relates to cycle parking has been shown on the layout drawing PL-10 Revision C. Cycle parking provided is secure and covered and is considered in accordance with Condition 9.

Condition 10 relates to Electric Vehicle (EV) charging at the site. EV charge points have been provided on drawing PL-10. On that basis we are satisfied that this condition can be discharged.
