Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This dwelling will not only steel light away from neighbours, but also it means the neighbours will be overlooked. Parking will be an issue as there will be less on road spaces for the proposal. Emergency access (essential services) to proposed dwelling will be poor if not none. Services to new proposal may cause road upheavals on a already essential busy road, i.e.: Gas, Water, Telecoms, Electricity, Main Drains. Environmentally Trees and Shrubs will be removed, making this a less Green environment for the neighbours and health. Their will be an increased noise and light pollution to the neighbourhood.
