Good Morning Lousie,

Please see my comments below, for some reason I can't add a consultee's comment on the application.

A lighting report (Ref:KEW4347, Dated:30/10/2024) was submitted in reference to AWDM/0510/22. I am satisfied with the content of the report and recommend discharge of any related conditions (Condition 15). Please note that any lighting shall be positioned and installed in accordance with the above referenced report.

Many Thanks
