of an email consultation carried out during week ending 14th November, 2014.

Messrs. J. Leigh, D. Donaldson, L. Parsons & R. Richards & Mrs. B.Ferrers-Guy unanimously agreed the following:-

AWDM/1422/14 – Myrtle Cott. Sompting – we concur with Parish Council's comments – **REFUSE**

AWDM/1474/14 Old Rectory S'ham

AWDM/1459/14 – 29/41 High St.

AWDM/1467/14 8 The St. S'ham

AWDM/1333.14 – 61 S'wick St,

AWDM/1429/14 21 Church St. S'ham

All APPROVE

AWDM/1471/14 – 49 S'wick St. – provided Parks Officer is happy – **APPROVE**

AWDM/1516/14 - 82 High St. S'ham - This is felt to be over-development of both site & building. Although one cannot expect uniformity of roof lines in an old area such as this. The extra floor will dominate unreasonably & clash with the lower building to the East. This section of the High St. is the first vista to be seen when coming off the Norfolk Bridge which is an important introduction to the town thus to have this small building protruding above the adjacent buildings would look out of keeping. **REFUSE**
