Please note we have tried to make comments online for two following applications - but the Adur System seems to be down.

AWDM/1426/16 111 Howard Road: Rooms in roof with side roof extension from hip to gable and front dormer to south elevation.
The Council has no objection to this application.
AWDM/1442/16 3 Trent Close: Non material amendment to AWDM/0669/16 for alterations to two windows and installation of entrance door to south.
The Council has no objection to this application.

Kind Regards
Sue Tubb (Assistant Parish Clerk)
