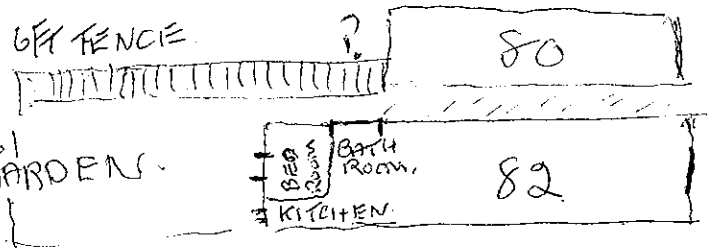
Proposed development
Rear conservatory and ridge-roofed double garage at rear of garden

Location of development to which application relates
80 Annweir Avenue Lancing West Sussex BN15 9NE

Comments I have lived here over 12 yrs. & have always had good natural light in my bathroom, a year ago a 6 ft wooden fence was erected next door, which cut out half of my light, so if a conservatory is going to be built, now, I'm very concerned it will cut out the other half of my light, - or greatly diminish it, I'm 92 years old. & have to get up in the night several times, & have never had to put electric light on, even though the light from window is much less now. the wooden fence is only just over 1 yard away from my property, there is just a narrow gap between my bathroom wall, & next door, when I first came here, there was only a small wooden fence about 3ft. up.



(my main concern is light in the evening & night time)
