Comments

Dear Sirs,
I am writing to you to strongly object to the above proposed development on several grounds namely:-

1. It would be an eyesore as it would be directly in my view from my lounge through my patio doors.
2. I believe this would have a detrimental effect on the value of my property for future sale.
3. It would damage the natural environment for the numerous, plants, trees and vegetation I have built up and grown in my garden and effect their condition.
4. I do not believe that a raised roof is an appropriate addition for a garage and it would concern me why it is deemed necessary and therefore its true intended use.

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – **YES / (NO)**
