Dear Mr Porter

RE: REF: AWDM/0157/12/INVAL –35 EAST MEADWAY, SHOREHAM-BY-SEA

I am writing in support of my neigbours Mr & Mrs Dupuy who have submitted a planning application for a double garage which has been refused. This has been on the basis of "not being aesthetically being in keeping with the rest of the street view". However this is a large detached property that currently has a carport and the building of a garage would not effect the surrounding area in a negative way at all.

I wish to support their application and hope that my support along with their other neighbours may lead you to reconsider their revised plans.

Your sincerely,
