Full Planning Application – Heat Network Acknowledgement

Dear Planning Team,

Site: 10-20, Marine Place, Worthing, West Sussex, BN11 3DN
Proposal: Proposed demolition of existing buildings and construction of a three-storey building comprising 27no 1-bed apartments, with associated secure cycle and bin storage, and hard and soft landscaping.

Please accept this letter as acknowledgement from the applicant of the heat network in Worthing. Further assessment with regard to this will be provided in due course to support this application.

Yours Faithfully
