Reasons for comment:

Comments: We live on New Salts Farm Road and overlook the land that is the subject of this planning application. We support the application for the following reasons: - Our wish is for the land to remain open countryside/green gap and the proposed use is not in conflict with this. - The proposed use by Dogs Trust is very low impact and during daylight hours only; we believe could not adversely affect the land or the quality of life of the residents of New Salts Farm Road. - To enable the proposed use Dogs Trust is likely to maintain the land in better condition that it is currently, keeping grass mowed and erecting better fencing, which we believe will benefit the locale. Yours sincerely Rosie Cann
