- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Construction of garden room

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is a single-dwelling house, Use Class C3. It was built as such and has always had this Use Class.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Construction of a single-storey building within the grounds of the building is Permitted Development provided that the building is incidental to the enjoyment of the house; doesn't take up more than 50% of the area around the original house; is single storey; and is not more than 2.5m high where it is within 2m of the boundary. This proposal meets those requirements and is therefore Permitted Development.

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- ☐ Yes
☒ No
