Comments:

Having read the headmasters long letter setting out the case for this attempt to convert Courtlands into a special school it is clear that the current building is not fit for purpose!

However a large portion of the building has not been utilised.

The headmaster now demands drastic changes, including the use of the grounds to facilitate a much larger school with extended teaching.

This proposal shows no respect for any of the neighbouring properties .

The very large classroom adjoining our house at 3 Warnham Close will have a damaging affect on our lives and a loss of amenity.

I would again urge the Committee to refuse Planning Permission.

Kind regards
