Dear Sir or Madam

With reference to AWDM/0593/16 I wish to lodge a formal appeal, on the ground as follows

1.....HEIGHT...we will be in darkness leading to higher electricity/heating bills due to natural loss of light/sunlight.

2.....LENGTH....too long .

3.....BOUNDARY LINE... where this extension will actually be erected as we are semi detached ??.....Lack of details in the plans submitted.

I would appreciate your assistance on this case.

Lastly why was this letter dated 25/04/16 yet the notification will be finalised 42 days from the 18/04/16 ?? Nearly a week of my time to lodge the appeal wasted. !!

Kind regards

H Hilfiker.
