PLANNING SERVICES

Dear Mr Peck,

Re planning application AWDM/1750/14

Thank you for your letter concerning the above application. I would like to confirm my acceptance of the new proposal.

I think this compromise is the result of the unfortunate behaviour of Basepoint in their original lack of consideration for local opinion, compounded by poor handling by the department of planning.

However, I hope this new proposal will be accepted, and that lessons have been learnt by all concerned.

Yours sincerely,
