For The Attention Of: Mr. Dan Maroni

Dear Sirs,

RE: HSBC Worthing, 21 Farncombe Road

Further to our recent emails, we write to confirm that the vent works to the out house at the above premises have now been completed, and would like to apply to have condition 2 discharged from the planning consent, which, reads;

Condition 2

"No permission is herby granted for the positioning and installation of the proposed vents as shown on the submitted plan. Before works commence, revised details showing the positioning and installation of these vents, maintaining the integrity of the flint work on the side (south) elevation of the outbuilding, shall be permitted to and approved in writing by the Local Planning Authority. Thereafter, the works shall be carried out fully in accordance with the agreed details."

Please note we have been able to re-use the existing vent openings and therefore, have maintained the original integrity of the flint outbuilding elevation.

Please find enclosed the following amended drawing and 'as built' photograph for your perusal;

Proposed Elevation/Plan Out Building	07/059/SK/106 B
As Built Photograph	
Cheque	£85.00

For ease of read please also find enclosed a copy of the consent notice dated 13th October 2008.

We look forward to receiving confirmation of the discharge of condition 2.

Please contact us if you have any queries.

Yours faithfully,
