TO:	Adur & Worthing Councils FAO: Gary Peck
FROM:	WSCC – Highways Authority
DATE:	15 May 2024
LOCATION:	Worthing Football Club Woodside Road Worthing West Sussex
SUBJECT:	AWDM/0613/24 Provision of new external turnstile block. New external fenestration to south elevation. New entrance doors and canopy to frontage facing Woodside Road, Relocation of front entrance gate and brick pier, New external ramped accesses
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No objection

The proposed application is for minor changes to the pedestrian access points. The ramps will enable disability access and the additional turnstile is contained within the site curtilage and does not impact on vehicle access to the ground.
