Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I am happy for the planning application to be accepted, as long as the rear dormer has frosted glass so that our garden and house will not be overlooked, we have French doors and a large window on the rear of our property, where the ground floor is also open plan. So with clear glass on your dormer we would lose a lot of privacy, Even from within the house. Many thanks Shane

Kind regards
