As with all our high quality British made products the Twin Bike Locker is made from strong, thick, galvanised (weather proof) steel.

At 99kg in weight (that's over 15 stone) these are substantial units suitable for public and private use.

Perfect for the side of a house or flat - Compact design.

Are you left-handed? Door handing of this unit can be changed for the user (either right-handed or left-handed) and to suit your location - Please specifiy when placing your order.*

Supplied with a 10 Year Warranty - our units are built to last.

Fitted with our tough bike locker 3 point locking system.

Large single door access - making it easy to wheel your bikes in and out.

Multiple units bolt together for additional strength and security.

An open floor area means there is no restriction on how you store your bike in.

Includes 2 kit hooks - Hang helmets and bags with your bikes.

The twin bike store can be bolted down to the ground using the supplied securing bolts - great security.

Self assembly using the easy to follow illustrated instructions.

A Full assembly service is available -select at the checkout when placing your order.

Reinforced handle surround - for added security.

All exposed screw ends are hidden - no dangerous sharp edges inside the unit.

A choice of colours available to suit any environment.

Maintenance free - no repainting or rotting (unlike wooden bike sheds) backed by our 10 Year Warranty.

Designed and manufactured in the UK by an established manufacturer with over 30 years of industry experience.

Free UK Mainland Delivery*

Please Note: this unit does not have an integral metal floor - this product is bolted down directly to the shed base.

Please note that before installation can take place a level, firm surface will be required. (e.g. concrete, tarmac, patio 50mm/2" thick) before installation. The base must be solid, completely flat and secure. Prevent bike theft today - Click here for more Metal Bike Storage Solutions.

*** Please note unless specified at time of order the Twin Bike Locker door will be right-handed. The image is a Right Handed version.**
