Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Objection on two grounds: 1) Light - Proposed extension will completely block light from flowing into our living room (our main living area!) at the rear of our property for significant parts of the day (ie - it will block the sunlight for the entire mornings). 2) Closeness - The 4 metre wall of the extension will run immediately alongside our garden patio area, our view will be of a 9.5 foot high white wall when we are sitting there.

Kind regards
