Stance: Customer objects to the Planning Application
Reasons for comment: - Loss of General Amenity
Comments: East Street is becoming a street of restaurants and it is very necessary to retain the retail element to stop the street becoming bland and unwelcoming to visitors/residents of Shoreham during the day. If 5 East Street becomes a dental surgery/beauty clinic it will effectively become "dead" to users of East Street. As Luckings for an extremely long time and lately as The Olive Tree it has been a pivotal retail site at the entrance to East Street.
