Their enquiry was:

Dear Sir/Madam,

I have taken one more look at the planning application for 67 -69 North Road, Lancing, BN15 9AS. I can not see the need for a studio flat, this will change the roof line of this property and properties around. The developer as only made provision for one car parking space and there in no need to change existing shop front, the one bedroom flat can be enter front back. The existing flat as an entrance to the side of the building. Highway safety turning in to Culver Road from North Road, because on the very short mini roundabout and Culver Cars which is close to the this mini roundabout. We at Culver Court as problem with the flat conversation of 83 North Road in to two flat because of parking. I think this need to be rethink.

Ms Jose
14 Culver Court.
