Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	As the neighbour of number 16 Hollyacres i have no objection to the installation of a wheel chair access ramp to the front elevation of their property. The ramp does not cause any issues with accessing our property nor is it an eye sore. We were consulted prior to the installation and is necessity for our neighbours to safely access and egress their property.
