Reasons for comment:
- Design

- Privacy Light and Noise

Comments: The Dormer Window overlooking Green Close, and our garden, will be a significant loss of privacy for us and several neighbours. The design of a Dormer Window not only facilitates the loss of privacy but is out of keeping with the appearance of the area and is not in keeping with the Conservation Area. There are no such windows in properties surrounding the Green. A Dormer Window is wholly out of keeping with the Conservation Area.
