With regards to the above application for 82 Penhill Road Lancing we wish to object to this application.

The height of this extension will seriously block out the natural light to our kitchen window which is our only source of natural light to the kitchen.

This will also seriously block out the natural light to our dining room window.

This 5 metre two storey extension is not in keeping with the surrounding buildings.

We appreciated your site visit the other day.

Regards

Mike and Chris Davidson (80 Penhill Road Lancing)
