Subject: AWDM/1464/12 79-81 Brighton Rd.continued use of building as skating rink

Dear Sir,
With reference to the planning application submitted in respect of the above I would express my total support for same.
I have attended sessions there on several occasions and have found them to be run in a totally professional manner with no evidence of any loutish or antisocial behaviour being displayed.
I do hope that common sense prevails and that this application is once again upheld by the council.

Regards
