Regarding 105 Old Fort Road

Dear Carlos,

Please find enclosed a sample of the cladding proposed for this project as required under condition 02 of the planning permission. The schedule of materials are as follows:

External walls: Hardieplank cedar patterned cladding in Boothbay Blue.

Rooflights: Velux flat roof rooflight.

Privacy Screen: Planed cedar on galvanised steel frame.

Sunshield: Planed cedar on galvanised steel frame.

Also enclose are detailed construction elevation and section drawings showing the materials and how they are arranged (0908/A/1015/00, 0908/A/1020/01, 0908/A/1022/-).

I would be most grateful for your prompt response so that construction of these elements may commence

Sincerely yours,

[redacted]

Howard Carter

Director of Architecture

for Thinkingspace Ltd.
