Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Privacy Light and Noise
Comments:	I am the owner of one of the shops in Queens Parade, This development would seriously affect my business in terms of build works and noise. I also feel that the building would not take this extra weight of adding a further floor . and would also cause damage to my shop in the process. There is not adequate parking round the back to take the extra residents as it is bad enough as it is already.
