PERSONAL STATEMENT

Please see attached an application for a Certificate of Lawful Development for the siting of a mobile home within the curtilage of 53 The Gardens, Southwick, BN42 4AP.

We wish to build this mobile home as an extension of our home to enable my mum to live closer to us and be more involved in our family life. While she values her independence, having her nearby will allow her to share in more of our day-to-day activities and strengthen our family bonds.

The mobile home has been designed with future accessibility in mind, ensuring that it remains suitable for her needs in the years to come. The compact, single-level layout provides a comfortable living space while offering peace of mind for the upcoming years.

I look forward to hearing from you.
